“Bear ye one another's burdens,  
and so fulfill the law of Christ”  
Galatians 6:2

February 2013

Dear Praying Friends and Family,

What a joy it is to serve the Lord! In January, The Lord enabled us to minister to missionaries in Thailand and the Philippines, work in several ministries and see family and friends. The whole experience was exciting and tiring. In 29 days, we flew on 10 airplanes,

shared the Gospel in 5 prisons, preached 12 times and saw the Lord lead 10 ladies to a saving knowledge in Christ. Since the Lord brought us together in a Thai prison and we have not been there in 5 years, we were very excited to return.

We started in Bangkok where we worked with Charles and Lourdes Holmes and their prison ministry and preached in two Thai churches. We then flew to Philippines to see Diadem's parents and work in their ministry. They hold services in their house and travel to three other outreach

works in rural areas, so we preached in all four locations. They were very appreciative that we would travel so far to minister to them, but we were the ones greatly blessed through them. They don't have much material things but they have big hearts for the Lord. When they give, they give joyfully all they have. After one week in the Philippines, we traveled back to Northern Thailand to minister at an orphanage for the children of prisoners. It was a joy to spend time with the kids, encourage the ministry workers and preach the Gospel in the local church. Finally, we returned to Bangkok to preach in the ladies prison where Diadem used to teach English and share the Gospel. Praise the Lord, 10 ladies came forward to accept Christ as Savior.

There was no rest for the weary upon returning to the states. We went home to load up the truck and head to Florida for meetings in Jacksonville and Pensacola. We had a great time at Pensacola Christian College's mission conference, establishing good contacts with students and fellowshiping with other missionaries and board representatives. Don't forget to read the captions under the pictures!

Celebrating Uncle Charlie's birthday...83 years young, still serving the Lord with Aunt Lourdes

Enjoying fellowship with Ryan and Heather Hill, who started a Church in Chon Buri last year. We also met this Monkey...he's mad because we told him evolutionists have been saying we descended from him.
