

Tribute to our dear friend Dougie Hughes by Laura on behalf of the Triton National Championship

I have lost count how many times I have tried to write this post today. I just don't know where to start.

This morning the National Rally Championship lost their best friend Dougie Hughes the Voice of Irish Motorsport. What can I say that hasn't been said already, it's been a day of reading posts, comments and looking at pictures and videos that everyone has been putting up and reliving the memories.

Dougie was the life and soul of this Championship over the years and a great supporter and ambassador. Rain, wind, hail or snow it never put him off doing what he loved. We enjoyed every event with him the crack, the stories, the antics and not forgetting the Vitamin G (Guinness)!

Even since he stopped the events he was still on the phone to find out what was happening and who was doing what. It was also great that he had still travelled to a few rallies to catch up with everyone and never missed the nights out.

To say we are heartbroken is an understatement, to us he wasn't just another person at the rallies he was our family, our best friends, our Hero.

We will miss him dearly, he may be gone but will never be forgotten.

Thank you Dougie for the Memories.

We at the Triton National Rally Championship Committee wish to offer our sincere Condolences to Dougie's wife Lily, his Family and Friends and extended rally family.
