## B. Commission Rules

1. The commission rate is the rate that is in effect on the application date of the issued policy.
2. Commission is calculated on the lesser of initial premium or paid premium.
3. Medicare Part B deductible premium is not commissionable. Commission is not calculated on premium increases.
4. Policy/Application fees are not commissionable. Policy/Application fees are not applicable in the state of Arkansas.
5. Unearned commission within any policy year will be charged back on any premium refunded to the policy owner.
6. The commission for the Product is vested and may be credited to you after the termination date if (a) the policy related to the Product remains in force, (b) the premiums for the policy are credited to Company, and (c) you are the writing agent and you remain the producer of record.

**\*\*\* This Schedule is not valid until signed by an Authorized Representative of the Company \*\*\***

7. Internal Replacements. Commission will be calculated at 100% of the applicable commission rate when a new Gerber Life Insurance Company Medicare Supplement policy replaces an existing Gerber Life Insurance Company Medicare Supplement policy, or an existing Gerber Life Insurance Company Medicare Select policy, and the producer of record does not change. The commission on the new internal replacement policy will be calculated based upon the policy year of the former policy.
8. External Replacements. Commission will be calculated the same as new business unless a state special rule applies.
9. The Company may, from time to time, issue compensation/product schedules with respect to the Product which (a) amend, replace or terminate this Schedule, or (b) identify whether the Product is eligible for bonuses.

### **C. General Provisions**

5. **Confidential Information.** Confidential Information, as defined in your Agreement, does not include information relating to Compensation payments payable, paid or provided to you pursuant to this Schedule.

This Schedule is in addition to any other schedules currently in force or that may come into force in the future, but supersedes any prior Schedule related to commission on the Product. This Schedule shall remain in effect until changed or terminated by Company.
