

**NSW Late Models points system for the 2018 to 2019 race season will run as follows.**

30 turn up points for all cars in the pits as at the time our first heat takes the green flag.

**Time Trials:** Any meeting where Time Trials are run, there will be no points allocated for the Time Trials, however there will be double points allocated for the first/only heat.

**Drop** your lowest round at the end of the season, which can include a non attended round.

**All** NSW Late Model sanctioned events will be point's rounds, including added meetings, postponements, blue ribbon events except the 2019 Australian Title. Drivers will have until the next race meeting to dispute the points from the last meeting.

If you do not finish a race being a heat or feature race you do not get any points for that race.

Points from a round that has more than 2 heats will be awarded in the annual points score from the drivers best 2 heats.

The points allocated from the heats and feature races will be allocated as per the schedule below.
