

DIAMOND POUCH

You will need:

One piece medium to heavy paper: 12" x 12"
 One piece thin decorative or colored paper: 3" x 3"
 Three pieces colored yarn or linen thread: 14", 7", 7"
 Paper punch

To Fold:

1. Fold square in half horizontal. Unfold. Fold in half vertically. Unfold.
2. Flip paper over. Fold in half on the diagonal. Unfold.
3. Flip paper again. Gently push center until the folds pop out.
4. Two of the opposite diagonal points will want to fold in to the center. Help them and close into diamond shape.
5. Hold with open end up. Fold down upper point of front flap to meet lower point of diamond.
6. Flip and repeat on reverse side.
7. Leave shaded flaps on outside...
8. OR reverse folds and tuck inside.
9. Use punch to make two holes on each side point and two holes at top point. Thread small yarns through side holes and tie square knots. Thread longer yarn through top holes and tie square knot. Make a loop for hanging and knot at end.
10. Cut small square in half, on the diagonal. Glue one triangle to each side over the central split.
