

Dear Members of the Orange Stake,

We hope you are preparing for a wonderful stake conference experience next weekend. The strength and unity of our stake never ceases to amaze us. This strength and unity is especially helpful during times of change.

So far during President Nelson's tenure, there have been over a dozen significant changes that have impacted all members of the Church. Regarding changes to come, our prophet has said, "Eat your vitamin pills. Get your rest. It's going to be exciting." At our upcoming stake conference, we will hear about exciting local changes that will affect all members of the Orange Stake.

At the Saturday afternoon session of stake conference, we will announce changes to our ward boundaries as well as changes to our ward and stake activity programs for children and youth. All members, young and old, are invited to join us on Saturday at 5pm to hear about the exciting details.

We pray for your faith and unifying love as these changes are implemented.

With love and anticipation,

Your Orange Stake Presidency:

Jeff Peters
