

Members of the Orange Stake,

Our next stake conference is fast approaching. We hope that everyone can join us on August 18th and 19th for the conference, and we also look forward to spending another special morning in the temple with our fellow Orange Stake temple workers and patrons on the preceding Monday, August 13th.

The theme of this conference will be centered around Christlike love and service. We invite members to spiritually prepare by exploring the following scriptures in your personal study or family home evenings:

- Mosiah 2:17
- Mosiah 18:4-22
- Luke 10:25-42
- John 13:34-35

We also invite members to ponder on a time when you were blessed by the Christlike service of others. It doesn't have to be something big. Often, it is the small and simple things that make the most impact.

If you feel so inclined, please write your experience and share it with us. We would love to hear about real examples of Christlike love that have blessed the lives of the members of our stake. You can email your stories to [jeff@peters-family.com](mailto:jeff@peters-family.com) or simply write them down and give them to a member of your bishopric or the stake presidency.

We pray that you will be uplifted, inspired, and edified as you prepare for this conference and participate in each of the sessions.

With love,

The Orange Stake Presidency
