

Ward Post Stake Conference RS, EQ President Checklist

Week of August 12th to August 17th

- Help relocate auxiliary closets (SCW to Newport, RHW to San Juan, OHW to Yorba) PCW, EW, PW, TMW remain in their current locations.
- Recommend to bishopric any new quorum or RS leaders needed to fill positions vacated by boundary realignment.
- Assign the discussion leader for the 4th Sunday conference talk and plan a get to know you activity during your 2nd hour since this will be the first gathering of the newly formed quorum/RS group.

August 25th

- 2nd hour quorum/RS group meeting following sacrament (consider treats?)

Within one month of Conference.

- Make visits as a presidency to every new ward member household.
- See that all ministering assignments are updated and issued.
- Update ward emergency communication zones/ zone captains in preparation for October's communications exercise.

Other considerations -

- Pay special attention to recent move ins and reactivated members and new converts and investigators so they don't get lost with all the changes.
- Look for opportunities for class, quorum, and ward service projects. A ward that serves together, stays together.
- Be sensitive and on the lookout for those in your ward who may be less enthusiastic about the boundary changes.
- Love your members and say "Thank You".
