OSTPA Class Sponsors

President's Corner – Mike Laribee

Hello again pulling family,

Can you believe summer is almost over already? What a summer! Our pulls have been going very well with great events and great crowds. Everyone seems to be getting along very well this summer and I thank all of you for that.

Anyone who has not yet had their vehicle full teched and is running for points, please let Brandon or I know and we will arrange a time to get it done.

We have been seeing a lot of new OSTPA hats around and any members that haven't received one should stop at the entry trailer and pick one up.

As I hope you have noticed we are putting the pull results on the Internet from track side and have had a lot of good feedback. I would like to thank Stacie and the trailer crew for the good work.

The Swanson Performance courtesy cart seems to be going over well and I hope all of you are taking advantage of it.

I am looking forward to the next month of pulling and am open for suggestions for things we can do to make the organization even better for the future as we go into our fall meetings. The points races are very tight, so good luck to all of you.

Mike

Reminders:

- The OSTPA Annual Picnic will be Sept. 7 at the Wayne County Fair Pull. Please bring a covered dish, serving ware, and table service.
- If you would like to have something posted on the webpage, please contact the OSTPA office.

Thank You!

A big thanks goes to everyone who helped coordinate and/or sponsor pre-pull meals. We have been fortunate to have many great meals this season. Watch upcoming newsletters for a list of sponsors.

Event Recaps:
