
2018-19 DIRECT DONATION CAMPAIGN

Point Grey Secondary School is a highly regarded school, committed to supporting and teaching a diverse group of students to learn, to critically reflect, and to care for themselves and others as they prepare to find their place in the world.

With ongoing provincial education funding cuts, the need for direct funding from families and our community is a crucial and growing trend. We are seeking to raise \$25,000 this year to cover some of our basic budgetary demands and enrichment programs that allows the teachers and staff at Point Grey Secondary to achieve their mission to help, educate and support our children for a bright future.

Every year the PG PAC asks members of the school community to submit applications for funds they would like to receive towards their program to further benefit the students. Last year the requests for 2018 came to over \$42,000. Point Grey received approximately \$21,000 from the gaming grant (these funds can only be used for non-curricular items), and those funds were completely utilized. We also used general PAC funds available from our fundraising initiatives to fulfill the requests of teachers.

HOW YOU CAN HELP

We are seeking to raise \$25,000 to cover the funding requests of the faculty and staff at Point Grey Secondary School. Ideally we would like to raise more to put some monies aside for future years' funding requests; however, we know our gaming grant allotment will be lower this year. Direct Donation is fully tax deductible*, giving you the power to fund programs identified by the Point Grey PAC (Parent Advisory Council) which is 100% volunteer run. Our Funding allocation from last year is broken down on the following page to give you an idea of where the money goes.

We are also looking for volunteers to help with new initiatives: a website overhaul, a safe route school initiative & improved communications with parents. Please email pointgreyparents@gmail.com for more information or to lend a hand!

We thank you in advance for your generous support!

• Visual Arts: Heat Press	\$ 729
• ELL – Document Camera	\$ 782

* shared cost with school & mini school

The library at Point Grey is very popular and well used amongst the students at the secondary school. It is very important to keep it well stocked as it provides a print rich environment with improved literacy and language acquisition for all the students at the school. The library budget has been cut drastically in the past year and we expect this trend to continue. We did make a donation to the library last year, and we hope to donate more this year.

One of the ways your donations supported the school last year was the purchase of upgrades for the computers used in the Information Technology Lab, Business Education Lab and the Library. Budget cuts meant the school didn't have enough to fund the upgrade themselves, but PG Parents stepped up and supported this important upgrade. Thank you!
