Grand Imperial Conclave of Canada

General Notes:

- In the past several years the Grand Assembly session has been held to the Thursday morning only. This has caused pressure on all to get the work of the Order done in the time allotted and some discussion of issues has been shortened. In order to alleviate this problem we will open [informally] the Grand Conclave on Wednesday afternoon, allowing us the time to discuss all issues in as much detail as the Knights of the Order might wish.
- The Grand Executive meeting which normally was held on the Wednesday afternoon is being re-scheduled for Wednesday morning. The Grand Assembly will open informally on the Wednesday afternoon followed by the Grand Conclave Foundation meeting.
- The business of the Grand Conclave that was received at the Executive meeting will be discussed thoroughly at the afternoon session, reports received, acted upon and where appropriate voted on.
- The Grand assembly will be re-opened formally on Thursday morning at which time our guests will be received and any business not conducted on Wednesday afternoon will be completed.
- This is an effort to expedite the session. All Sir Knights are expected to attend.
- As indicated on the registration form "The All Inclusive Package" includes the following:
 - a. Registration
 - b. Wednesday's 'Get Acquainted & Dinner'
 - c. Thursday's Lunch
 - d. **Tour** on Thursday afternoon
 - e. Grand Sovereign's Banquet
- Those who have registered for the day only and wish to take the tours will note the cost as specified on the registration form.
- Those who are attending Sovereign Great Priory sessions only and may wish to take the tour must make note of it on the registration form and cover the proper fee.
