

# Cancel the Cold

After consultation with the Pastoral Council and Finance Board I am happy to introduce the "Cancel the Cold" program for St. Leo's parish. This winter program runs from December 1<sup>st</sup> to April 30<sup>th</sup> as we ask parishioners to help defray the cost to heat our church. Here's how it works: With a \$20 donation you can memorialize a loved one whose name will be placed in our bulletin and be prayed for on the day you select. Please fill out the information sheet asking for your name, the name(s) you wish to honor and the date you wish for that person to be prayed for. Please check the calendar on this same table to enter your name on the day you wish for this to occur. You can sign up for more than one day if you would like. Once you fill out your information card and our calendar, then you can place your card along with \$20 in an envelope marked, "Cancel the Cold" and return it by way of the collection basket or to our office or the slot in the door nearest the church. Checks can be made out to "St. Leo's Church". Thank you for your consideration and support. Fr. Brian

## Sample

At St. Leo's we will "Cancel the Cold" by buying heat for the church day by day from December 1 to April 30.

The contribution for each day is \$20 and can be placed in the collection basket.
