

## سُورَةُ الْأَحْزَابِ

“Among the believers are men who have been true to their covenant with Allah, and showed not their backs to the disbelievers; of them some have fulfilled their obligations and some of them are still waiting, but they have never changed in the least.” 33:23

It is upon us to be upright and to stand firm in regards to the truth. To take as examples, the lives, honor, and noble character of the companions (radiAllahu anhum) and those who followed them.

### Learning from the Salaf

All praise is due to Allah; we praise  
Him, seek His help and ask for His  
forgiveness. We seek refuge in  
Allah the Most High from the evils  
of our own selves and from our  
wicked deeds. Whomsoever Allah  
guides cannot be misguided, and  
whomsoever Allah leaves astray,  
cannot be guided. I testify that  
there is no true god worthy of  
being worshipped except Allah  
alone without any partner or  
associate, and I testify that  
Muhammad (sallaAllahu alaihi wa  
sallaam) is His true slave and  
Messenger.

Amma Bad (To Proceed):

*Istiqāmah is a comprehensive  
term: It is to stand before Allah in  
all truthfulness in the fulfilment of  
one's covenant – and it is related  
to what is uttered upon the  
tongues, what is carried out upon  
the limbs and what is concealed  
in the heart of intentions and  
sincerity – and also one's  
outward state. So it is a  
comprehensive term.*
