

# My Report on Bears

Assalaamu Alaikum wa Rahmatullahi wa Barakhatahu,

Ya students and Parents, the following report is on the different types of bears. You have to find some facts about each of the bears, at least two or three. Tell about the habitats, what they eat, how they care for their young. Then tell us some similarities in the bears, and some differences. Submit one paragraph or up to one page for 5 points/rewards inshaAllah.

Grizzly Bears, Koala Bears, Panda Bears, & Polar Bears
