

Once the Oral Presentation/Dars has been completed the instructor will offer specific time for Q&A and for topic discussions. All questions must pertain to the present topic only. Any question that cannot be answered by way of the presented text will be recorded and forwarded to a student of knowledge, Imam, or Scholars for clarity. We ask that you practice the art of sabr in this process, the answer may not come immediately. However, we will work to get it and post it for all who may benefit from it inshaAllah.
