In order for the full amount of premiums to be awarded there needs to be at least 2 exhibitors with a combined 5 entries in a department.

For example, if exhibitor #1 enters 5 turkeys and no one else enters turkeys, then exhibitor #1 will receive the Reserve Champion Turkey premium. If exhibitor #1 enters 2 turkeys and exhibitor #2 enters 2 turkeys, then whichever exhibitor wins for Champion Turkey will only receive Reserve Champion Turkey. There must be at least 2 exhibitors and at least 5 entries for the full premiums to be awarded. Therefore, if exhibitor #1 enters 3 turkeys and exhibitor #2 enters 2 turkeys, then the Champion and Reserve Champion Turkeys premiums will be awarded.

If there is only one exhibitor in a department, then only the Reserve Champion premium will be awarded.

We are hosting the Regional Meet for the United American Game Bantam.

Other Breed Meets:

- American Langshan Club District Meet
- Cochin International Regional
- Belgian d'Uccle Booted Bantam Club
- Plymouth Rock Fanciers
- Old English Game Bantam
