Malta, IL 60150

Dear Ms. Lang,

Waste Management of Illinois, Inc. ("Waste Management") is proud to be the waste services provider for the Village of Malta and of the positive relationship that has developed through the years. We see ourselves as Malta's partner, working together to improve the Village's cleanliness and quality of life while supporting its environmental and economic goals.

Waste Management presents this letter/amendment for your consideration of the following comprehensive proposal to extend our agreement for (5) five years. We believe our proposal distinguishes our company and its capabilities from our competitors. In addition to the same high level of service Malta residents have come to expect from Waste Management, we offer the following value added services. The services described below are subject to the terms and conditions of the Contract for the Village of Malta Garbage, Refuse, Yard Waste and Recycling Collection (the "Agreement"), which will remain in effect.

- **Malta Days**
Waste Management will continue to sponsor Malta Days providing commercial, rolloff and portable toilet and sink services. Additionally, Waste Management will provide street sweeping service of the business district after the event.
- **"Waste Watch" Program**
As a part of our service offering, Waste Management will provide its "Waste Watch" program to the Village of Malta at no charge. Our trucks are on your streets every day. Our drivers are familiar with their routes, so they're often the first to notice when something is amiss. As your community partner, we will assist the police and fire departments by acting as extra eyes and ears on the street. (See attached program brochure.)
