

**Think Green:**

July 1, 2013

Ms. Debbie Lang  
Village Clerk  
Village of Malta  
120 S. Third Street  
Malta, Illinois 60150

Dear Ms. Lang,

We at Waste Management are proud of our service to the Village of Malta and the positive relationship we have forged through the years. We see ourselves as Malta's partner, a company whose people are working hard to improve the Village's cleanliness and quality of life while supporting its environmental and economic goals.

Throughout the years, we have worked hard to serve the Village's needs in good times and we have responded immediately as a good neighbor would in times of crisis. Ours has been a partnership that has extended beyond the letter of contractual terms.

Waste Management is requesting a three-year extension to the current contract. All aspects of your current refuse and recycling program will be adhered to, including service day, senior discount, items accepted in the refuse and recycling program as well as the sponsorship of Malta days by providing refuse, recycling, portable restrooms/sinks and roll off boxes. Pricing for the first year of the extension is as follows:

Non-Senior 96-gallon cart	\$ 19.08 per home per month
Senior 96 gallon cart	\$ 17.14 per home per month
Non- Senior 65-gallon cart	\$ 17.77 per home per month
Senior 65-gallon cart	\$ 15.99 per home per month

Price increases for years 2-3 will be capped at (2.9%)

Waste Management wishes to thank the Village for its support as we have worked together over the years. We very much look forward to continuing our relationship, serving Malta's residents and contributing to its bright future. Thank you very much for this opportunity. If you have any questions or concerns, please do not hesitate to call on me at 708-906-7717

Sincerely,

A handwritten signature in black ink, appearing to read 'Matt Hernandez', written in a cursive style.
