PRINCIPAL'S CORNER

Dear Westbrook School Students and Families,

Many thanks to ALL of you for such a successful opening to the 2014-15 school year and for your presence at our standing-room only Back to School Night! So much positive energy and excitement throughout our “new” building! Seeing so many of you later that week at the carnival was just as terrific; thank you for your support. I am thrilled to be working with you all and am enjoying getting to know the students and the greater school community.

What an AMAZING first month of school we have had! Students are so busy reading and writing throughout the day and are learning so many new approaches to develop their understanding of numbers, problem-solving, and operations in mathematics. In between academics, students are enjoying the beautiful weather, whether it be planting Pinwheels for Peace, game playing at the Westbrook PTA Carnival, or running the mile in Physical Education. The weather is getting cooler already, so please plan appropriately- we will be outside for recess as long as we can!

“Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.”

~ Bob Beauprez

Individual Student Report NJASK scores came home in backpacks on September 29th. The 2014 test administration of NJASK in grades 3-8 was the last year of the assessment. Beginning this spring, students will participate formally in the Common Core State Standard – aligned PARCC testing. You will definitely be hearing more as that draws near as we have TONS of resources for you.

Many events are on the calendar for October, so please continue to monitor our website, the PTA’s website, and virtual backpacks! Week of Respect occurs early in the month and is later followed by School Violence Awareness Week. School pictures, the Fire Department Smokehouse, and several assemblies, as well as a number of PTA events, are planned. Please be sure to let us know if you did not receive a Honeywell Alert on September 17th as it is the best way to stay informed in case of school delays and important events.

Congratulations to students nominated for a Bobcat Award for Outstanding Student. Students are nominated by building staff for a number of reasons including citizenship, responsibility, kindness, participation, and effort.

Enjoy your Fall!

Deanne Somers, Principal
Westbrook Elementary School

PTA PRESIDENT'S PRESS RELEASE

Hello Westbrook Families...

Wow, it is hard to believe that a month of school is already behind us. September was an exciting month with Back to School Night, our first PTA meeting, our mum sale, KidStuff book sale and our big Carnival Game Night!! I cannot thank everyone enough for all their efforts to make these events so successful. I would like to thank the teachers and Ms. Somers for donating the prizes to the carnival raffle, Shawn Rubenacker and Company #4 for the fire truck ride to school. Congrats to Tyler Barker on that awesome win!

October is a busy month as well. We had our Class Parent Tea on October 2nd at 7:30pm in the Media Center. We handed out important information and went over all the class parties for the year, etc.

The kids had their smiles ready!!! October 8th was School Picture Day, with retakes scheduled for November 19th. This is always a fun day for our students and our volunteers.

Our 3rd Annual Trunk or Treat is scheduled for Friday, 10/17 in conjunction with our Clothing Drive. The clothing drive will run from Friday 10/17 to Saturday 10/18, ending at 2pm. We will have our class parties and Fall Fun Fitness Parade on October 31.

Please remember that you must be a PTA member to volunteer, be a class parent, and be on a committee. If you have not signed up to be a PTA member, you can print the form out at www.westbrookschoollpta.com and send it in along with the dues with your child.

I look forward to seeing everyone on October 16th for our 2nd PTA meeting. We will be having a 45 minute informative social prior to the meeting. We will go over what each committee does, how you fill out a reimbursement form, how to fill out a permit, and answer any questions you may have.

Thank you,

Jennifer O'Neill

KIDS CORNER**WESTBROOK CARES - JUVENILE DIABETES RESEARCH FOUNDATION**

Dear Parents, Guardians, and Staff:

Westbrook Cares is Westbrook Elementary School's very own social action group that is committed to the mission of making a difference in our school, in our community, and in our world! Westbrook Cares is comprised of 5th and 6th grade student volunteers and staff advisors, Mrs. Errichiello and Mrs. Becker. These students carefully select activities, disseminate information, and encourage all Westbrook students and staff to become involved in supporting our mission. We are excited to announce our first activity for the 2014-2015 school year!

During the week of Respect, October 6-10th, we will be partnering with Aidan McGuire, a current Westbrook 5th grade student, who is participating in a local fund-raiser walk to raise money for the Juvenile Diabetes Research Foundation. Aidan has a personal connection with the JDRF, as he lives with Type 1 Diabetes himself. Aidan created his own team, The Lion's Pride, and has set a goal to raise \$8000. Students and staff making **ANY DONATION** will be given a "Paper Sneaker" to write their name on, which will be hung throughout the school. Donations can be sent into the school in an envelope with your child's name and marked JDRF.

Setting goals is an important part of our Project Adventure Full Value Contract. Please consider helping Aidan reach his personal goal while supporting the JDRF and their efforts toward finding a cure for Diabetes.

Sincerely,

Mrs. Errichiello and Mrs. Becker on behalf of Westbrook Cares
