

BROWARD WILDCATS

BAND BOOSTERS

April 17, 2018

Dear Local Community Business Provider:

We are writing this in order to reach out to our local community businesses with the opportunity to place an ad in our end of the year program for our annual band and color guard banquet scheduled for May 19th, 2018. As you may or may not realize, The Broward Wildcats Band Boosters are a nonprofit 501(c)(3) organization that tries to support in filling the gap between the Western High School Band's funding provided by the county, which is minimal, and the money required to run a competitive music program. We accept all students, regardless of their ability to pay for "Fair Share" fees, which assist in the fees associated with competitions and various equipment required for those performances. We would like to offer a full color printed program this year and will be selling advertising space to help offset printing costs, to raise money to bring down the student banquet ticket price as well as for awards for the students that dedicate themselves throughout the year. The banquet will be attended by up to 150 students as well as volunteers, parents and instructors.

In addition to offering advertising space, we would like to also take this occasion to mention other opportunities available to our local businesses for sponsorship and support of these dedicated students. Attached, you will find a "wishlist" of funding support we are always in need of. It truly takes a village and we hope you will join the many community businesses already in partnership with us to provide our students the best musical education possible.

Thank you in advance for your time and consideration!
