For your safety and enjoyment, the Property Manager, Facilities Manager, Any Board of Director, and the Security Guard on duty has the duty and responsibility to request removal of radios, inspect containers or coolers for glass and other breakable items of any kind, and to monitor any other rule violation. Refusal of an inspection or non-compliance to the rules will automatically result in removal of such items and constitute a violation to the unit owner with the possibility of a fine.

YOUR COOPERATION IS APPRECIATED
