

PROFESSIONAL REFERENCE

for Ivaylo Ovanes Chividzhiyan

serving on MY Nomad as a Chief Officer and Captain's reliever

Ivaylo Chividzhiyan is very well educated, more than 10 years experienced and MCA top certified marine professional I worked with on-board MY Nomad. He has what it makes a good team bond and leader – very good people management skills, can-do approach and reliable navigation knowledge with guests and crew safety always first priority.

I will soon gladly work with him again and wish to recommend him as a must-have asset to a fine Yacht who can keep the Owners care-free and provide the guests with ultimate service and attention.
